REQUEST TO VACATE CHANGE OF POWER OF ATTORNEY

Sir:

On 03/29/2007, the USPTO mailed a Notice Regarding Change of Power of Attorney. The Notice stated that a power of attorney had been filed in this case on 03/24/2007. However, no such power of attorney is present in the image file wrapper of the application. Applicants' representative consulted with Viksnins Harris & Padys, the firm to which the PTO changed to power of attorney, which confirmed that this firm did not file a power of attorney in this case, nor in any case with a similar serial number that they can find. Accordingly, it is respectfully requested the USPTO records be restored to show that the power of attorney and correspondence address is to Customer Number 26384.

As the error is due to a mistake by the USPTO, no fee is due. However, in the event that a fee is required, please charge the fee to Deposit Account No. 50-0281, and in the event that there is a credit due, please credit Deposit Account No. 50-0281.

Respectfully submitted,
